

Inland Empire Bonsai Society

Monthly Meeting Minutes

May 21, 2006

I. Call to order

Ron Bauer, IEBS president, called to order the regular meeting of the Inland Empire Bonsai Society at 12:00 on May 21, 2006 in the Manito Park Meeting Room.

I. Open issues

- a) **David Rowe Demonstration and Workshop.** May 26 and 27. There are still a couple available spaces in the workshops.
- b) **Japan order.** A minimum order has been assembled, - 600,000 yen (\$5,000 - \$6,000) minimum. There will continue to be a delay in submitting the order to our contact in Japan due to circumstances on their end. Members are encouraged to submit any additional orders soon. As soon as our contact is able to process our order we will send it in.
- c) **2008 PNBCA convention to be hosted by IEBS:** We have made a good start on the acquisition of trees for workshops and demonstrations. Recent repotting activities for many of the trees have gone well. We have one more group of trees that needs repotting; a sign up sheet will be circulated for a repotting session in June.

New business

- a) **Workshop wire.** A discussion was held, and it was decided by vote of attending members that in the future the club will provide aluminum wire for workshop participants for an additional fee of \$5.00 in addition to the regular workshop fee.
- b) **Program.** The scheduled monthly program was conducted as planned and described in the 2006 Calendar of Meetings and Events.

I. Adjournment

The business meeting was adjourned at 12:45 PM.

Minutes submitted by: John Kittel, IEBS Secretary

Minutes approved by: Ron Bauer, IEBS President
