August 19, 2007

2007 Annual Picnic

The annual IEBS summer picnic was held on August 19th at Ron Bauer's home in Priest River, Idaho.

The rainy weather was a welcome break from the usual arid inland northwest summer and did not deter the hardy bonsai enthusiasts from enjoying the party.

Everyone brought a favorite pot-luck dish to share and we got to see and discuss Ron's bonsai and growing areas.
